8/24/17

Written up by Crystal

Amber and Paula will tackle the t-shirts this year. Erin will head up selling flowers on concert nights. Crystal will set up a Paypal account linked to the boosters email.

Paula will send the number of students in each hour to Crystal so we can put together the Fry's sign up drive starting Sept 1st and closing the night of the concert Sept 19th where we will have a computer set up for parents to sign up on the spot. (I will not be there so if someone has a laptop please bring it)

Lauren will send out an email to request a vote for the board next week so we can register our board.

Crystal will send out sponsorship letters for everyone to distribute ASAP.
