*The Music Department is made up of these three areas. Students will be in a group as the Music Department at all times in California unless otherwise specified. **Students will be with their respective teacher and chaperones at all times.***

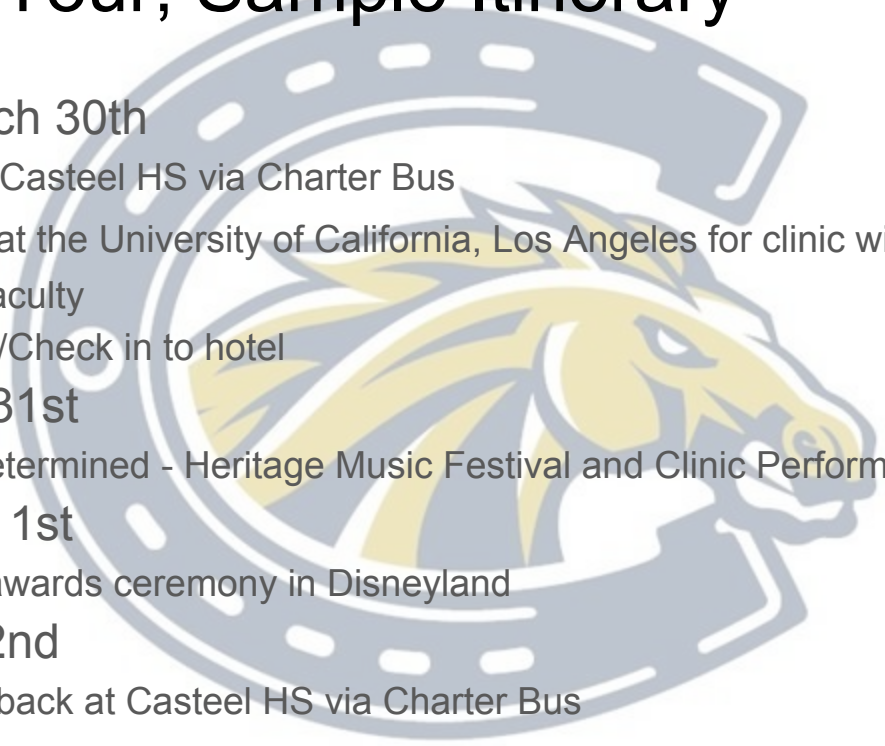

Philosophy of Tour

- Allows for opportunities not available in state or at the local level
- Gives students an experience to perform in a new venue and to have a clinic with world class musicians and conductors
- Perform in a festival with ensembles from around the United States and Canada
- Tour a major Division I university and get to know collegiate music faculty (UCLA)
- Unforgettable memories with friends and other music department members
